

Information from Tama City

Support Program for Residents

[Summary] Tama City Price Rise Countermeasures Lifestyle Support Project (JCB Gift Card Distribution)

1. Purpose

Tama City will use the national government's "Special Regional Revitalization Grant for Priority Support to Counter Rising Prices" to distribute JCB gift cards (store vouchers) that can be used at local stores and other locations to help alleviate the burden on households caused by rising food prices.

2. Eligibility

People who are registered residents of Tama City as of February 1, 2026

*Application is not required.

3. What to Receive

JCB gift cards worth ¥4,000 per person (four ¥1,000 vouchers)

(Notes)

- This gift card (gift certificate) has no expiration date.
- No change will be given upon use.
- Tama City is not responsible for lost, damaged, or stolen cards. Also, please note that cards cannot be reissued.

4. Distribution Method

A package containing the number of items for each household member will be mailed to the head of the household. The package will be sent via Yu-Pack from the post office and must be collected in person. If you are not at home, a notice of absence will be placed in your mailbox. Please arrange for redelivery within the period the package will be kept at the post office.

5. Distribution Period

Receipts will be shipped sequentially from the end of March to the end of May 2026.

6. For those who have fled due to domestic violence (DV) etc.

If you are not registered as a resident of Tama City as of February 1, 2026, but have been living in Tama City since before the reference date due to DV etc., you may be eligible to receive a JCB gift card (gift certificate) upon application. Please contact the Tama City Price Rise Countermeasures Life Support Project Call Center at 0570-010-867.

7. Other: Beware of Scams

The city and post office will never ask for money in exchange for receiving a gift card. If you receive any suspicious communications, please call your nearest police station or 110.
